01584 841205 as limited availability.

### **IMPORTANT INFORMATION**

\*We are now allowed to serve customers inside and outdoors - but customers must order, eat and drink while seated at a table. We have to provide table service only; you will not be permitted to get drinks from the bar. Please be patient with the us and the staff as this is a very different time for us all.

\*If you are outside and with our English weather.. you may want to dress accordingly and bring your own blanket if needed! We do have a lovely pergola that is under cover if you like the outdoors.

\*Restrictions have changed and you won't need to order a substantial meal with alcoholic drinks...so just come and enjoy a drink with friends and family!

\*Inside dining - Customers must follow either the rule of six, or be in a group of any size as long as there are no more than two households present at one table.

\*Outside dining – We are allowed up to a maximum of 30 in one group but still must adhere to all the government guidelines.

\*When people are not seated - for example, when they're being shown to a table or going to the toilet - customers **MUST** always wear face masks, follow one-way systems and observe social distancing.

---

All tables must be pre-booked before arriving to guarantee a table. Unfortunately with the climate as it is and no shows that do and have occurred in the past, we will be taking card details over the phone to confirm the reservation. Please see our website for further details.

Track and trace system still applies but to now to ALL guests entering The Crown.

We will be adhering to the minimum of 1 metre with extra precautions and social distancing. We ask that all our guests adhere to all social distancing whilst enjoying their visit.

Sanitizing stations will be provided and remain in place as per government guidelines.

Dogs - Unfortunately as The Crown is a wonderful 17th century Inn we do have many small areas and pinch points, we will only allow dogs in if we you have pre-booked tables and only on a lead. Dogs are allowed outside the front of the building and we have very limited tables that we can accommodate. No dogs are allowed in the back of the Inn and in the gardens.

We have unfortunately reduced staff numbers & introduced a new rota system to allow social distancing within our team, your patience will be greatly appreciated as we adjust to this.

Thank you and look forward to seeing you all Richard, Jane & The Crown Team

These aren't our rules, they are now the **LAW**. Unfortunately if we don't stick to them we are at risk of being shut down or heavily fined...so please bear with us, thank you.
